

Take Your Business to the **Next Level**

NEW Professional Development Partnership for KC Chamber Members

SkillPath and the Greater Kansas City Chamber of Commerce are partnering to help advance careers and maximize organizational success in the KC metro area.

A leader in the learning and development industry since 1989, SkillPath delivers more than 16,000 training sessions each year

to 997 of the Fortune 1000, every branch of the U.S. military, all 15 executive departments and three branches of the federal government and all four major sports leagues.

Now we're offering these resources to you through the KC Chamber's Cost Saving Benefits program!

▼ Special KC Chamber Member Discounts!
