

Apex 2025 | Application for Centurions Leadership Program

The Centurions Leadership Program of the Greater Kansas City Chamber of Commerce prepares a cross-section of the community's emerging leaders for their roles in shaping the future of Kansas City. This prestigious program includes active participation in educational programs and exposure to community leaders and issues. Criteria for acceptance include proven career success and community involvement. The Centurions Leadership Program seeks to select a diverse class of participants who represent all sectors of the greater Kansas City region.

Participation and time commitment: Program participants are required to attend monthly Centurions Task Force meetings on the fourth Friday of each month from October through June. Only one of these task forces is optional: a 3-day Benchmarking Trip to a peer city, scheduled to take place in April. In addition, **attendance at the annual Retreat from September 10-12, 2025 and in September 2026 (dates TBA), including overnight stays, is required.** Each Centurion will participate in at least 20 hours of community service projects each program year, including three hours volunteering with the Centurions Legacy Project; assist in the preparation of one Task Force meeting; and serve on one standing committee. **Participants who fail to meet the attendance expectations will be required to withdraw from the program.**

Program tuition: Annual tuition for organizations with more than 250 employees is \$4,100, while organizations with fewer than 250 employees will pay \$2,900. The tuition payment covers the orientation Retreat, incidental meeting expenses, Task Force expenses, and program operating expenses. The Benchmarking Trip fee is an additional fee of approximately \$1500-\$1900 and covers group hotel accommodations and programming expenses. **Tuition is due prior to the annual Retreat on September 10** and is non-refundable.

The Centurions Leadership Program is committed to assisting participants who need financial assistance to cover tuition. **Scholarships** are available to participants based on a variety of factors including but not limited to financial need, adding diversity to the program, or the nature of the organization employing the candidate. The number of scholarships and amounts awarded vary by year.

Letters of recommendation: One letter of recommendation **from your employer** is required, but up to three can be submitted. The letter(s) should describe the applicant's potential as a leader in Kansas City and how the applicant's leadership could benefit the community. One letter should come from the applicant's employer. The recommendation letter(s) should be uploaded with the online application. The application and the letter(s) of recommendation are due by 11:59 p.m. June 1, 2025.

Application: The completed uploaded application, a \$75 application fee (invoice will be sent following submission of application), at least one letter of recommendation, and any additional supporting documents are due by 11:59 p.m. June 1, 2025.

Interviews: Applicant interviews will be conducted June 9-20, 2025. Each applicant will be notified of the selection results by June 27, 2025 (*all dates subject to change*).
